The AIR-Bodys will be made available for the testing period confirmed by MGT free of charge. As far as not agreed otherwise the testing period will amount 1 week. This 1 week is commencing on the first day of the testing period confirmed by MGT and/or on the day of the receipt of the AIR-Bodys. Shipping and handling costs towards the receiver will be borne by MGT. The return of the AIR-Bodys will be carried out by the receiver on its own expenses.
